Overview of Company

- REC is a Navratna company under the Ministry of Power. We fund our business with market borrowings of various maturities, including bonds and term loans apart from foreign borrowings, on our own.
- We hold the highest credit ratings from CRISIL, ICRA, IRRPL and CARE and internationally we are rated at par with the sovereign ratings.
- We have maintained consistent profit margins and paid dividends each year since fiscal 1998.
- We have thus propelled ourselves to a net worth of over ₹40,000 crore.
- We have also been entrusted with the responsibility of being the coordinating agency for rolling out UDAY (Ujwal Discom Assurance Yojana) which seeks to operationally reform and financially turnaround the power distribution companies of the country.
- Our two subsidiaries - RECPDCL (REC Power Distribution Company Limited) and RECTPCL (REC Transmission Project Company Limited) work in tandem with us to realise our shared mission by providing consultancy services in Distribution and Transmission sectors.
- We take due cognizance of the fact that we owe our stupendous success to our customers, the unflinching commitment of our employees and our countrywide presence through 22 state offices which ensures easy accessibility.
- Having bolstered our share in the country's total power capacity, we are poised to help build a sound infrastructure to provide affordable, accessible and sustainable power.
